

GOLDEN KNIGHTS MUSIC PARENTS
140 Central Avenue
Old Tappan, New Jersey 07675

Dear Parents and Friends:

School Year 2009-2010

Last year over 350 students participated in the NVOT music department in vocal or instrumental groups, the marching band, and the all school musical production. The Golden Knights Music Parents Association exists to support all of these students in their musical activities! We supply program support to the students at school and when they travel and we provide over 30 scholarship awards to underclassmen and graduating seniors at the June Awards Concert.

Your sponsorship is vital to the continued success of this Association. As a member of the GKMPA you will receive the MusicTimes newsletter quarterly by email as well as email notification about upcoming meetings, concerts, and events. Every member is listed in the program at each and every concert.

Thank you!	Julie Gleason	Mary Ann Schran	Kathy Zahos
